Physical Education is a regular instructional period for students in grades K-8. Students will participate in physical education twice a week for one-hour periods. All students are expected to participate. The degree or extent to which they participate will affect their academic and/or effort grades. If illness or injury makes physical activity unsafe for a few days, a note from the parent should be sent to the PE teacher. For students who must be excused or exempt, on a regular basis, a physician must complete the prescribed "Physical Exemption Card" which is available at the main office of the school. Students must dress in their PE uniforms on their designated PE days. For students' protection, provide shoes that will cover and stay securely on the feet. Students wearing shoes the teacher feels is unsafe for play will not be permitted to participate and will receive an unsatisfactory grade for the day. Physical Education grades are based on achievement of skills, behavior, and participation.

Art is a regular instructional period for students in grades K-8. Students will have Art once a week for a one-hour period. Art grades are based on completion of projects, behavior, and participation.

### **Standardized Assessments**

All students, kindergarten through eighth grade will participate in NWEA's MAP standardized assessment three times throughout the school year. The assessment is completed on computers and iPads, and data acquired is used to guide individualized instruction. The standardized assessment schedule is as follows:

### **Special Education**

Special Education will be provided to students as follows.

- ❖ Student has an active IEP or 504 Plan
- ❖ Teachers feel as though additional one on one instruction is necessary for achievement.

The Administrative staff handles Special Education on an individual basis. Students are pulled in small groups or individually as needed to reinforce skills being taught in the classroom. Therapists also work hand in hand with Administration and Faculty to provide services needed by students on an individual basis. The child's medical insurance company funds these services.

**Character Education**

Each grade participates in a Character Education Program. This program consists of open discussions, activities, and book readings that focus on Civil Responsibilities such as (Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship).

**Field Trips**

Participation in field trips is a **privilege**. Students serve as representatives of the school; therefore, they may be excluded from participation in any trip for reasons relating to behavior, conduct and/or academic progress (i.e. assignments not completed, notes not taken home, signed and returned, misbehaving in class). Students will be expected to wear the school's uniform on all field trips.

Parents' permission must be given for a student to participate in field trips. The teacher will send forms home. ## **Grade Reporting**

All teachers utilize an online grade book. During the first two weeks of school, all parents will receive instructions and codes specific to their child. Teachers update grades on a weekly basis. It is the parent or guardian's responsibility to create an online account to view their child's grades and progress at all times as well as communicate with the teacher. All students receive a progress report midway through each quarter as well as a report card at the close of each quarter. Please see the Important Dates section on page 7 for more detailed information.

## **Activities**

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, extracurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of extracurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school. Clubs and student groups are formed as student interests deem necessary. Each teacher will lead a club of their choice, and clubs will meet on a weekly basis for a 1-hour period.

## **Attendance Policy**

Student attendance is a means of improving student performance and critical in raising student achievement. Together, the staff of It's A Small World Elementary School, students, parents and the community must make every effort to lessen the loss of instructional time to students. In order to accomplish this goal, on April 18, 2007, the School Board of Miami-Dade County, Florida approved a new Student Attendance Board Rule, as stated below.

Anytime a student returns to school after an absence, students have up to 3 days to provide the school with the appropriate documentation for the absence to be "excused". After the 3 days and not receiving appropriate documentation, the absence will automatically be considered "unexcused". A student accumulating 10 or more "unexcused" absences (those absences that do not fall under any circumstance considered to be excused) in an annual course, or 5 in a semester, may have quarter, semester, and/or final grades withheld pending an administrative screening of academic performance. The note must explain the nature of the absence or the absence will be counted as unexcused. Acceptable excuses for student absences are illness, physician/dentist appointment, death in family, a school sponsored event or activity that has been previously approved, or a religious holiday. Parents should also call the school office at (305) 633-6553 and leave a message for the classroom/homeroom teacher about the absence. Students who are granted an excused absence will be given assigned work upon their return to school. Parents should not request classwork while the child is absent/ill. Students will have 1 day for every day they were absent to make up the work if the absence is excused.

### **Arrival and Dismissal**

School doors open at 6:30am. Kindergarten through Eighth Grade students must be in school by 8:30am in order to be counted as present and on time by their classroom teacher, and Pre-Kindergarten students must be in school by 9:00am.

Kindergarten through Eighth Grades are dismissed at 3:00pm. Parents must arrive no later than 3:30pm to pick up students at the designated dismissal area.

On Wednesday, all grades are dismissed at 2:00pm; therefore, all parents must arrive no later than 2:30 to pick up students.

Operating hours end at 6:00pm. Children picked up after this time will be charged \$1.00 per minute per child still at the center after closing time.

### **Emergency Contact Information**

Student Emergency Contact Forms are distributed during Open House. Students are expected to bring the cards and paperwork home and present them to their parents or guardians. The card must be carefully completed and then returned. The information provided on the Student Emergency Contact Card will enable school staff to contact the parent/guardian immediately in the case of an emergency. Students may only be released from school to the persons listed on the emergency contact card after presenting picture identification. No persons, other than school staff, will have access to the information submitted. Please make sure that information in your child's file and on the ECF is accurate at all times.

## **Medication Policy**

Prescribed medication will be administered to children only when brought to the school by a parent or guardian. The medication must be in the original container with the name of the physician, the name of the child, and medication directions written on the label. An Authorization for Medication Form must be completed and signed by the parent or guardian in order for the medication to be administered. Make sure that any medication brought to the center is personally given to the Principal or teacher in charge. Medications are not to be left in the lunchbox or backpack.

Medications will be stored securely in the office in a locked cabinet above the reach of children. They will be removed and administered at the indicated times and returned to safekeeping until the parent or guardian of the child arrives to pick him or her up.

## **Code of Student Conduct**

Students are expected to be on their best behavior at all times. It is the job of students to represent It's A Small World Elementary School in and out of class time.

Discipline is the process of changing a student's behavior from inappropriate to exemplary. We are never satisfied with merely stopping poor behavior. We desire to teach the student to do what is right. Students are not disciplined out of anger or for the sake of convenience, but with the intention of helping the student make appropriate choices. Though few students desire discipline, they often need it in order to reach their full potential.

Each teacher will establish appropriate procedures for discipline in his/her classroom based on the following guidelines. Please note that this list is **not** all-inclusive.

1. Students are expected to respect the authority of all school personnel.
2. Malicious destruction of school property results in the replacement, repair or payment for damages by either the student or his/her parents.
3. Students shall help keep the school clean at all times. There is to be no gum chewing in the school building or on the school grounds.
4. Items such as matches/lighters, skateboards, Kendamas, electronic devices, trading cards, Silly Bandz, toys, weapons of any sort, etc. are not permitted at school.
5. No notebooks, albums, magazines, lunchboxes, etc. will be permitted that carry pictures or slogans referring to the drug culture or alcohol. No profane, abusive or slang language is to be used.
6. Zero tolerance for aggression, drugs and alcohol. (Students that hit, kick, harass, bully or use the internet in a negative way will be suspended or expelled).
7. No electronic devices should be brought to school. All electronic devices will be confiscated by school personnel. 1st offense will result in a warning and parent must pick up device. 2nd offense will be a detention and parent must pick up device. Upon the 3rd offense the student will receive a Saturday Work Detention and the device will be returned on the last day of each semester.
8. Internet Usage-The school has put into place technology measures that block and filter Internet access to visual depictions that are inappropriate for minors.

Students are expected to:

1. follow the rules set forth by the staff while on the Internet,
2. use the Internet as a resource tool,
3. not use the Internet to harass, threaten or intimidate others,
4. not seek access to unauthorized resources, not attempt to access unauthorized areas of the school's information system or the Internet, including "hacking".

**There will be no tolerance for continual poor behavior. After 3 referrals, a student will be expelled, as our utmost concern is the safety, well being, and education of all of our students.**

**Offences and Disciplinary Action**

The Code of Student Conduct has three levels of infractions and the levels are determined by the seriousness of the act.

- Level I** infractions are the least serious and will be dealt with by imposing less severe consequences than Level II and III.
- Level II** infractions are more serious than level I and require more formal disciplinary actions.
- Level III** infractions are the most severe and are grounds for a mandatory 10 day suspension and consideration for expulsion.

**NOTE: Any other serious misconduct is punishable at the discretion of the administration. During the time of an In or Out of School Suspension, students are not allowed to attend any extra-curricular activities.**

The following table lists possible consequences for each level of disciplinary action.

The center's food is catered by Gigi's Gourmet Catering on a daily basis and follows the USDA guidelines. Furthermore, we participate in the Child Care Food Program (CCFP) and serve meals and snacks meeting the CCFP requirements. The CCFP is administered in Florida by the Department of Health and is funded by the United States Department of Agriculture. Food substitutions are made for children when supported by a physician's statement.

Food substitutions may also be made for children with special dietary conditions when supported by a statement signed by the physician, physician assistant, nurse practitioner, or registered dietitian.

Weekly Menus are posted in the Main Office. If any parent is aware that the child will not eat any meal of the day, a breakfast, lunch, and/or snack may be packed in a lunch box. Food will not be heated.

2. Teacher and parent will come up with a plan.
3. If concern persists, the Principal should be informed, a meeting will be scheduled, and a plan put in place.

### **Safety and Security**

Your child's safety is a top priority at It's A Small World Elementary School. The doors to our facility remain locked throughout the day. Children must be signed in and out upon arrival and departure.

In accordance with state law, we must have on file the names, addresses and telephone numbers of the individuals permitted to drop off and collect your child from our school. If someone arrives to collect your child and we have not been notified and their name is not in the child's file or Emergency Contact Card, we cannot allow your child to leave with them. If you know that someone that is not on the list will be picking up your child, please inform us ahead of time. Children will not be dismissed to anyone other than the authorized persons without written consent and identification.

If an adult arrives to pick up and transport a child by motor vehicle, and the staff person in charge considers the person to be intoxicated or otherwise physically impaired, and not able to safely operate a motor vehicle, the child will not be released to the individual. The staff will contact another parent or other adult listed on the enrolment form to arrange alternate transportation. If this transport is not possible, staff will contact the Department of Children and Families for further direction. In the event the intoxicated person does not comply, the police department will be notified.

## **Child Abuse**

Chapter 39 of the Florida Statutes (F.S.) mandates that any person who knows, or has reasonable cause to suspect, that a child is abused, neglected, or abandoned by a parent, legal custodian, caregiver, or other person responsible for the child's welfare shall immediately report such knowledge or suspicion to the Florida Abuse Hotline of the Department of Children and Families.

Failure to report suspected child abuse is punishable by law and any person charged with such negligence is subject to felony charges. Students at It's A Small World Elementary School are checked every morning upon their teacher's arrival. If any odd markings are noticed and there are suspicions of child abuse, an incident report will be made and the child abuse hotline will be notified immediately.

## **Natural Disasters**

In the case of a natural disaster, which would not permit us to leave the building, the children will be moved to interior areas that do not have windows or rooms which have hurricane proof windows or shutters. We will follow the decision of Dade County Public Schools regarding the closure of schools. Parents will be called and asked to pick up their child immediately if there is a need to evacuate the center.

## **Incidents and Accidents**

No matter how careful and safety-conscious we are, there will be times when incidents or accidents may occur. Parents or guardians shall be notified immediately of any illness or injury to their child and specific instructions regarding action to be taken shall be obtained. It is crucial that the information on your enrollment form and emergency contact card is accurate. If the parents or designated contact person to be called in case of emergency cannot be reached, the principal or staff in charge will contact the next individual on the emergency list or take appropriate action. Immediately after an incident or accident occurs, the teacher will complete a report in its entirety, sign, date, and time it. It will then be given to the principal to be reviewed, signed, dated, and timed and to the parent during dismissal.

## **Fundraisers**

Fundraisers are held throughout the school year and summer in order to raise money for books, technology, and other activities. It is the responsibility of all parents to participate in the fundraisers as all students benefit from funds raised. Fundraisers will vary in type.

## **Volunteer Program**

Keeping an open line of communication with administration and faculty is the best way to validate your child's education. If need be, volunteering in the classroom, field trips, or to help out teachers is greatly appreciated and encouraged.

## **Technology Policy**

Students will follow the guidelines set forth below while using computers, Internet, or any other form of technology. Cell phones and other technological devices are not the responsibility of It's A Small World Elementary School or its staff and are collected at the beginning of each school day. All items brought to school are the responsibility of its owner.

- I will only use the Internet and computers with the teacher's permission, and for the purpose that the teacher has requested.
- I will respect copyright laws and will make sure to show where I found information, and will not copy it without permission.
- I will not enter inappropriate or hurtful language into the computer.
- I will stay safe on the Internet by making sure that I never share personal information, like my full name, address, or telephone number. If anyone on the Internet tries to meet with me, I will refuse, and tell my parents or teachers immediately.
- I will let my teacher know immediately if I see anything on the Internet that is inappropriate or that makes me uncomfortable.
- I will respect the school computer equipment. I will be sure to take good care of the equipment I use, and will not change any desktops, controls or anyone else's files.
- I will only use email for a class project directed by my teacher. Any mail will be sent or received by my teacher.
- I will only download information onto school computers under the direction of my teacher.

## **Birthday Celebrations**

Birthday parties are a wonderful experience for children. Our children are welcome to share their birthdays with their classmates. Please keep this occasion simple but meaningful to your child. All arrangements must be made with the classroom teacher at least 1 week in advance. Parties will be held during your child's lunch time. Parents must be here on time and supply all of the party supplies. If you do not notify us in advance we cannot guarantee that the birthday celebration can take place. No exceptions will be made.

## **Lost and Found**

All removable articles of clothing (sweaters, jackets, etc.) should have the student's name written inside them. Lost and misplaced clothing is collected and available for reclaiming in the cafeteria. All items in the Lost and Found will be donated at the conclusion of each month. Make sure this area is checked on a regular basis if any personal items are misplaced.
